

### Desk shape

**B** = curved desk

**C** = straight desk

**CB** = combination straight/curved desk

### Type of upstand/screen

**Z** = single section shaped privacy screen in white, green or blue etch effect film acrylic, plain/woodgrain laminate or real wood veneer

**1** = etch effect film upstand in white, green or blue with wood counter cap

**2** = etch effect film upstand in white, green or blue and with clear toughened glass counter cap supported by stainless steel fins

Desk top - 26mm thick

### Configuration, size variants & options

**Compact** = 1600mm wide desk

**2** = wider two person option

**L** = upstand to left

**R** = upstand to right

**DDA** = DDA recess option

### L-Shaped desks

**SL** = return at the left side

**SR** = return at the right side

### Plinth option

**NP** = No Plinth - flush face running down to floor

**FP** = Flush plinth - 70mm surface fixed brushed aluminium strip

**RP** = Recessed plinth - 70mm brushed aluminium plinth

All handings based on viewing desk from visitor side

### Examples

**C2-L-NP** Straight desk with etch effect film upstand and stainless steel fins with clear toughened glass counter cap to the left and no plinth.

**BZ-2DDALR-FP** Wide 2 person curved desk with single section shaped privacy panel at left and right, DDA recess and flush plinth.

### Z type acrylic screen

Please note that while the material is more than adequate for the function intended, a small degree of flex may be encountered with the cast acrylic screen.

### Finishes

evolution® classic reception desks are available in a wide range of standard finishes, all plinths are in a brushed aluminium finish.

A number of evolution® classic desks are also available on our evolution® **EXPRESS** 10 working day turnaround if specified in any of the standard woodgrain or plain laminate finishes. These configurations are marked with an asterisk

Please consult your evolution® product range brochure for details of which finishes are available.
