

Miscellaneous accessories

2 quartz clocks in aluminium (Oi) ABS and a radio-controlled clock in gold (ON) ABS.

Black & White waste bins with or without ring (sold separately). Designed to match the 2nd level accessories shown on p. 109 and the hat & coat stands shown on p. 344 from the same range. Made from polycarbonate in a brilliant black (OC) or brilliant white (OD) finish.

Push waste bin – perfect for reception areas and canteens. Made from painted steel in a light grey (ZC) finish, with inner container in galvanised steel.

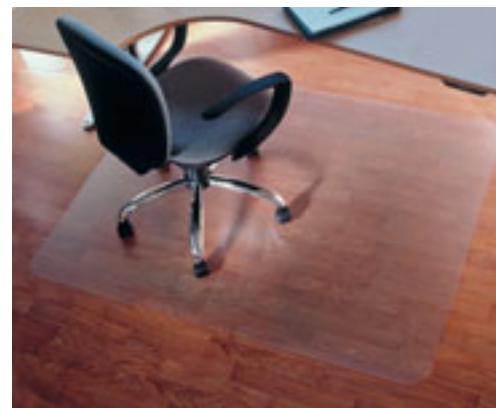

Jelly waste bins with or without ring (sold separately). Made from polypropylene in a black (OF) or light grey (OJ) finish. Ring is partitioned and comes in a black (OF) finish.

Select waste bin – the ideal choice if waste is to be sorted, thanks to removable waste containers (sold separately). Made from polypropylene in an aluminium (Oi) or black (OF) finish.

Waste paper bins and umbrella stands made from perforated steel. Plain or honeycomb design in an aluminium (ZA) or black (ZD) finish.

Protective floor mat in transparent (PV) polycarbonate. Suitable for hard or carpeted floors. Available in 2 sizes.

A choice of 3 footrests in black (OF) ABS for maximum working comfort. 100 % biodegradable and 100 % recyclable (excluding bar, springs and glides).

Foot-stool on concealed castors. Made from ABS in a black (OF) or light grey (OJ) finish.

Step-ladder on retractable castors in an aluminium (ZA) finish. Folds flat.
