

Delta Edge Shelving

Our New stylish delta edge shelving is ideal for both office and warehouse environments. The delta profile offers excellent strength but has slim clean lines making it ideal for the office.

The system is an all steel construction with shelves adjustable every 25mm, with a shelf capacity of 80kgs. The 350mm deep shelf has been designed to take standard 330mm lateral files underneath adding extra versatility.

The system is available in standard sizes shown below but also other sizes and accessories are available to order, please contact the sales office.
