D'un caractère sobre avec des lignes parfaitement définies, KARA est l'expression contemporaine du bureau de direction. Avec ses plateaux en mélamine déclinés en 3 décors actuels, le rendu est résolument impeccable.
Les plateaux verre, les liserés aluminium sur le retour, les platines de jonction et les obturateurs intégrés sur le retour sont autant d'éléments de finition maitrisés.

De sobere uitstraling met de perfecte details en de melamine bladen met 3 actuele kleuren geven KARA een eigentijds beeld van het directiemeubilair.
De glazen bladen, de geraffineerde alu lijnen op de aanbouwwand alsook de alukleurige verbindingsplaatjes en de kabeldoorvoeren geven een meerwaarde aan het geheel.

Understated in character with elegantly defined lines, KARA is a contemporary & versatile interpretation of the executive office.
With a choice of 3 melamine finishes & together with the option of glass top returns, aluminium detailing, linking plates & integrated cable grommets, KARA offers a well-proportioned & harmonious contemporary executive range.
