Table information

Tables supplied fully assembled 18mm MFC top with matching ABS edging

Table options

White column, chrome collar, silver oval pedestal base POA Other table top and column finishes available POA

The Designers

Hilary Birkbeck

Hilary Birkbeck is a furniture and product designer who has been practising in the UK for 30 years. He has a wealth of experience and has provided product solutions for the UK commercial contract markets and domestic retail sectors (Harrods, Heals and John Lewis). He has great understanding of the global supply chain and manufacturing practices. His specialist areas are ergonomics, health and safety and product innovation. Hilary has ongoing activities with US, European and East European clients.

Paul Brooks

Paul Brooks Design has placed itself in the centre of Europe. They have a European approach in the understanding of today's global market. Their belief is to work closely with their client, aiming to analyse their needs in order to deliver a totally appropriate solution – aesthetically, functionally and commercially. They are specialists in the area of office furniture and offer a full design and development package. They have a proven track record which assures informed design, flexibility, common sense and attention to detail.

Working closely with designers, we are constantly developing new products

David Fox

David Fox Design is an award winning industrial and product design consultancy. His philosophy and work ethic promote elegance and refinement. His well balanced, innovatively detailed, simplistic forms give his work a timeless aesthetic. David works with a number of clients on furniture and industrial design related projects. In 2007 and 2009 he won the Mixology North Designer of the Year and with the Kalm chair won the FX Award.

Craig Jones Design

Craig Jones Design is a London-based design practice committed to the development of high quality furniture and product design. Established in 2000, the company's aim is to provide a complete and fully resourced service to their clients that produce exciting designs with solid commercial viability. The company collaborates with design-led businesses which share their vision for beautiful and intelligent design solutions. They handle the process from conception through to production and have a proud record dealing with multinational organisations on projects that have been manufactured and distributed in every corner of the globe.

Roger Webb Associates

Established in 1989, Roger Webb Associates have become synonymous with creating award winning solutions for many of the key brands in the furniture industry within the UK and Europe. One of their key strengths is to go beyond design aesthetics and into designing how pieces are developed and manufactured. Their passion for design is specifically tailored to clients needs, supporting them to achieve a leading position in their market, providing solutions that are successful. The design service is focused through research, in close collaboration with the client to create and develop designs involving prototyping, product engineering and supporting the client by project managing the design into production and to market.

When we receive your order we will check with our suppliers that the chosen fabric is in stock, then advise you of a suitable delivery time.

Please note: Not all of our standard fabrics, vinyls and leather are suitable for all of our products.

Quality and colour finishes on fabric are as per the fabric supplier's standards, therefore any issues relating to this fall outside of Connection's warranty and quality measurements.

Where a customer is supplying their own fabric, and the fabric does not appear In the above list, the following shall apply:

- £150 patterning charge to cover creating templates.
- A quantity of fabric must be supplied to Connection to facilitate creating new templates - 5m per soft seating product, 2m per task/meeting product. For larger sofas a greater quantity may be required. This fabric will be used in the templating/ design process.
- Once the fabric is approved, the order will be processed on standard lead time (starting from the date of approval).
- In the event that the fabric is deemed unsuitable for the requested product, the patterning charge will be refundable.

For further information about using other fabrics or our fabric groupings, please contact our Customer Service Team on 01484 600100.
