

# SOLANGE

---

SOLANGE desktop screens and partitions allow for the creation of private areas within a larger shared workspace, favouring concentration. Thanks to their highly effective sound absorption qualities, these acoustic screens and partitions significantly reduce the disruptive impact of ambient noise, whilst at the same time providing an aesthetically harmonious backdrop to the workspace.

- Shared workstations, page 57
- Ergonomic chairs, page 195

## Clever & soundproofing

SOLANGE acoustic desktop screens absorb up to **50%** of nuisance ambient noise.
