

# GELATI

GELATI chairs are perfect for all your restaurant, break-out or project work spaces. Thanks to an anti-UV treatment, they are ideally suited to both indoor and outdoor uses.

• Multi-purpose tables, page 177

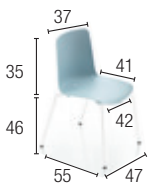

# Indoor & outdoor

The high stool version can be combined with project work tables as well as restaurant tables

Indoor or outdoor :  
anti-UV treatment of the seat and anti-corrosion coating on the legs
