

LYFT

THE PERFECT BALANCE

Lyft is a stool that answers the age old question, is it better to sit or stand. Well, now you can do both. Designed to help productivity and wellbeing, Lyft helps improve posture by relieving stress placed upon the body.

Lyft is the perfect accompaniment to your office task chair. With its rounded

base Lyft offers motion and mobility and its unique curved seat offers uncompromising comfort and support whether, sitting, standing or perching. This addition to your task chair allows not only greater posture but greater connectivity, use it for impromptu meetings not just prolonged work periods.

Quite simply, however you use it, it's the perfect balance for the modern office.

With three colour variations Lyft is an upbeat product that seamlessly fits any room. Additionally, thanks to the infinitely variable height adjustment it provides uncomplicated seating comfort.
